Honorable Board of Commissioners  
Community Development Commission  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Commissioners:

**ARCHITECTURAL SERVICES AGREEMENT FOR COMMERCIAL BUSINESS  
REVITALIZATION PROGRAM IN UNINCORPORATED EAST AND SOUTH LOS  
ANGELES COUNTY (1, 2)  
(3 Vote)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the Architectural Services Agreement between the Community Development Commission and Perkowitz + Ruth Architects is exempt from the National Environmental Policy Act (NEPA) and the California Environmental Quality Act (CEQA), as described herein, because the services required to complete storefront revitalizations and code compliance work will not have the potential for causing a significant effect on the environment.
2. Approve the award of the one-year Architectural Services Agreement for design and other services to improve approximately 70 storefront façades located in the First and Second Supervisorial Districts, to be selected from target areas identified in Attachment A, and completed under the Commercial Business Revitalization Program (CBRP).
3. Authorize the Executive Director to execute the Architectural Services Agreement and all related documents, to be effective after issuance of Notice to Proceed, which will not exceed 30 days following Board approval, and to use for this purpose \$220,000 in Community Development Block Grant (CDBG) funds allocated to the First and Second Supervisorial Districts.

4. Authorize the Executive Director to use a total of \$22,000 in CDBG funds allocated to the First and Second Supervisorial Districts, for unforeseen costs.
5. Authorize the Executive Director to execute amendments to the Architectural Services Agreement to extend the time of performance for up to one year and to revise the scope of services to complete the projects described herein, without increasing the approved contract amount, following approval as to form by County Counsel.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:**

The purpose of this action is to award a one-year Architectural Services Agreement to complete design services for up to 70 façade improvements under the CBRP.

**FISCAL IMPACT/FINANCING:**

There is no impact on the County general fund. The First Supervisorial District will provide \$110,000 for architectural services and \$11,000 as a 10 percent contingency for unforeseen costs, using allocated CDBG funds, for a total of \$121,000. The Second Supervisorial District will provide \$110,000 for architectural services and \$11,000 as a 10 percent contingency for unforeseen costs, using allocated CDBG funds, for a total of \$121,000. These funds are included in the current fiscal year fiscal and will be incorporated into the Commission's 2004-05 fiscal year budget through the annual budget process.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS:**

In 1980, your Board approved implementation of the CBRP in various areas of Los Angeles County. The program assists business owners and operators to upgrade properties by providing grants to improve building exteriors and to correct building and zoning code violations. CDBG and Tax Increment funds included in the Commission's approved annual budget are used to fund the improvements.

Eligible applicants may obtain a \$10,000 construction grant, per business address, without any owner contribution. If an owner can make a financial contribution, the Commission will pay 50 percent of the remaining construction cost, up to a maximum grant of \$30,000. The Commission enters into an agreement with each owner, who then contracts directly with a building contractor for the construction phase. The Commission also prepares bid documents, assists in the contractor procurement process, and provides project management.

The Commission wishes to retain Perkowitz + Ruth Architects to assist the CBRP by performing site visits after an initial application is signed between the Commission and

each owner. The firm will assess existing façade conditions; prepare designs indicating new elements, such as storefront doors and windows, signage, lighting, paint, and stucco repair; prepare plans and specifications for façade improvements; obtain plan check approvals; and perform construction observation and other services and related work.

Should Perkowitz + Ruth Architects require additional or replacement personnel after the effective date of the Architectural Services Agreement, it will interview for such employment openings participants in the Greater Avenues for Independence (GAIN) Program who have been referred by the County and meet the firm's minimum qualifications for the open position. In the event that both laid-off County employees and GAIN participants are available for hiring, County employees will be given first priority.

The Architectural Services Agreement has been approved as to form by County Counsel and executed by Perkowitz + Ruth Architects.

#### **ENVIRONMENTAL DOCUMENTATION:**

Pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34(a)(1) & (8), the Architectural Services Agreement is exempt from the provisions of NEPA, because it involves activities consisting solely of the development of designs and plans and will not alter existing environmental conditions. The Architectural Services Agreement is also exempt from the provisions of CEQA, pursuant to State CEQA Guidelines 15301, in that it does not meet the definition of a project, and does not have the potential for causing a significant effect on the environment.

The environmental review record for this project is available for viewing by the public during regular business hours at the Commission's main office, located at 2 Coral Circle, Monterey Park.

#### **CONTRACTING PROCESS:**

On July 29, 2003, the Commission initiated a Request for Qualifications (RFQ) process to invite interested firms to submit statements of qualifications to provide architectural services for the improvement of up to 160 storefront façades under the CBRP. Notices of the RFQ were mailed to 252 architectural and urban design firms identified from the Commission's vendor list. Announcements appeared in eight local newspapers and on the County Web Site. Firms were requested to come to the Commission for the RFQ packages. As a result of the outreach, 22 RFQ packages were requested and distributed.

Fourteen firms submitted Statements of Qualifications, which were evaluated by a staff committee of architects and program managers. Three of the most qualified firms were awarded contracts under \$50,000, including the firms of Perkowitz + Ruth Architects,

Lewis/Schoepflein Architects and Environ Architecture. Based on the strong performance by Perkowitz + Ruth Architects under the first contract for 25 storefronts, it has been determined that the firm is qualified to provide architectural services for another 70 storefront revitalizations. The Summary of Outreach Activities is provided as Attachment B.

**IMPACT ON CURRENT PROJECT:**

The proposed Architectural Services Agreement will provide the services necessary to complete improvements on up to 70 storefront façades in the First and Second Supervisorial Districts, which will correct building code and zoning violations and provide street beautification.

Respectfully submitted,

CARLOS JACKSON  
Executive Director

Should Consultant receive any such payment, it shall immediately notify the Commission and shall immediately repay all such funds to the Commission. This provision shall survive the expiration or other termination of this Agreement.

Section 10.0 **Payment Schedule:** The Consultant shall submit invoices for compensation on a monthly basis, in a format approved by the Commission, depicting an itemized list of work completed for each storefront according to the fee schedule established above and total amount due. The only exclusion shall be the cost of building plan check. This expense shall be reimbursed with a maximum fifteen percent (15%) markup by the Consultant.

Section 11.0 **Source and Appropriation of Funds:** The Commission's obligation is payable only and solely from funds appropriated through the United States Department of Housing and Urban Development (HUD) and for the purpose of this Agreement. These drawings, plans, publications, reports, statistics, records or other data or information supplied by the Commission are the proprietary and confidential property of the Commission and cannot be transferred or used by the Consultant for any other purpose. The Consultant agrees to safeguard and return this property to the Commission upon completion of the project.

Section 14.0 **Conflict of Interest:** The Consultant represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Agreement, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one percent (1%) or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any Agreement, subcontract or arrangement with the Commission. Upon execution of this Agreement and during its term, as appropriate, the Consultant shall upon written request, disclose in writing to the Commission any other contractual or employment arrangement from which it receives compensation. No person in the United States shall on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.

Section 19.0 **Federal Provisions:** During the performance of the Agreement, the Consultant agrees to comply with the following federal provisions:

19.1 **Executive Order 11246 and 11375 Equal Opportunity (Non-Discrimination in Employment by Government Consultants and Subconsultants):**

During the performance of this Agreement, the Consultant agrees not to discriminate against any employee or applicant for employment because of race, religion, sex, color or national origin. The Consultant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, religion, sex, color or national origin. Such action shall include, but not be limited to, the following: employment; upgrading; demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Consultant setting forth the provisions of this non-discrimination clause.

The Consultant will, in all solicitations or advertisements for employees placed by or on behalf of the Consultant, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

The Consultant will send to each labor union or representative of workers with which the Consultant has a collective bargaining agreement or other agreement or understanding, a notice, which is to be provided to the agency contracting officer, advising the labor union or worker's representative of the Consultant's commitments under Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Consultant will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.

The Consultant will furnish all information and reports required by the Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders. In the event of the Consultant's noncompliance with the nondiscrimination clauses of the Agreement or with any of such rules, regulations or orders, this Agreement may be canceled, terminated or suspended in whole or in part and the Consultant may be declared ineligible for further Government agreements in accordance with procedures authorized in the Executive Order and such other sanctions may be imposed and remedies invoked as provided in the Executive Order or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Consultant will include the provisions of these paragraphs in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of the Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subconsultant or vendor. The Consultant will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for noncompliance; provided however, that in the event the Consultant becomes involved in, or is threatened with litigation with a subconsultant or vendor as result of such direction by the contracting agency, the Consultant may request the United States to enter into such litigation to protect the interests of the United States.

- 19.2 Under Title VI of the Civil Rights Act of 1964, and Section 109 of the Housing and Community Development Act of 1974, no person shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

#### **Section 20.0 Certification Regarding Lobbying:**

Federal Lobbyist Requirements: The Consultant is prohibited by the Department of the Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's 24 Code of the Federal Regulations (CFR) 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal agreement, the making of any Federal grant, loan or cooperative agreement, and any extension, continuation, renewal, amendment, or modification of said documents.

The Consultant must certify in writing that it is familiar with the Federal Lobbyist Requirements and that all persons and/or subconsultants acting on behalf of the Consultant will comply with the Lobbyist Requirements. The signed Federal Lobbyist Certification submitted with the Agreement is incorporated herein.

Failure on the part of the Consultant or persons/subconsultants acting on behalf of the Consultant to fully comply with the Federal Lobbyist Requirements shall be subject to civil penalties.

**Section 21.0 Termination for Improper Consideration:** Commission may, by written notice to Consultant, immediately terminate the right of Consultant to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Consultant, either directly or through an intermediary, to any Commission officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Consultant's performance pursuant to the Agreement. In the event of such termination, the Commission shall be entitled to pursue the same remedies against

Consultant as it could pursue in the event of default by the Consultant.

Consultant shall immediately report any attempt by a Commission officer or employee to solicit such improper consideration. The Report shall be made either to the Executive Director of the Commission or designee. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

Section 22.0 **Safety Standards and Accident Prevention:** The Consultant shall comply with applicable Federal, state and local laws governing safety, health and sanitation. The Consultant shall provide all safeguards, safety devices and protective equipment and take any other needed actions, on its own responsibility, reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of this Agreement. However, this provision in no way changes the Consultant's responsibility for maintaining site safety throughout the construction process.

Section 23.0 **Drug Free Workplace Act of the State of California:** The Consultant certifies under penalty of perjury under the laws of the State of California that the Consultant will comply with the requirements of the Drug-Free Workplace Act of 1990.

Section 24.0 **Severability:** In the event that any provision herein contained is held to be invalid, void or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

Section 25.0 **Interpretation:** No provision of this Agreement is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Agreement is to be construed as if it were drafted by both parties hereto.

Section 26.0 **Entire Agreement:** This Agreement including Attachment A and B consists of seventeen (17) pages, which constitute the entire understanding and agreement of the parties. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the retention of the Consultant by the Commission and contains all the covenants and agreements between the parties with respect to such retention.

Section 27.0 **Waiver:** No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision of this Agreement shall not be deemed to be a waiver of any other breach of the same or any other provision hereof.

Section 28.0 **Agreement Evaluation and Review:** The ongoing assessment and monitoring of this Agreement is the responsibility of the Commission's Contracting Officer or designee.

Section 29.0 **Termination for Convenience:** The Commission reserves the right to cancel this Agreement for any reason at all upon thirty (30) days prior written notice to the Consultant. In the event of such termination, the Consultant shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination.

Section 30.0 **Termination for Cause:** This Agreement may be terminated by the Commission upon five (5) days written notice to the Consultant for cause (failure to perform satisfactorily any of the Agreement terms, conditions and work items) with no penalties incurred upon termination or upon the occurrence of any of the following events:

- A. Continuing failure of the Consultant to perform any work required to be performed hereunder in a timely and professional manner, or Consultant is not properly carrying out the provisions of the Agreement in their true intent and meaning, then in such case,

notice thereof in writing will be served upon the Consultant; and should the Consultant neglect or refuse to provide a means for a satisfactory compliance with this Agreement and with the direction of the Commission within the time specified in such notices, the Commission shall have the power to terminate this Agreement for cause or to suspend the performance in whole or in part.

- B. Failure on the part of the Consultant to procure or maintain insurance required by this Agreement shall constitute a material breach of Agreement upon which the Commission may immediately terminate this Agreement.
- C. In the event that a petition of bankruptcy shall be filed by or against the Consultant.
- D. If, through any cause, the Consultant shall fail to fulfill in timely and proper manner the obligations under this Agreement, or if the Consultant shall violate any of the covenants, agreements, or stipulations of this Agreement, the Commission shall thereupon have the right to terminate this Agreement by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Consultant under this Agreement shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

Section 31.0 **Commission's Quality Assurance Plan:** The Commission or its agent will evaluate Consultant's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Consultant's compliance with all Agreement terms and performance standards. Consultant deficiencies which Commission determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Commission and Consultant. If improvement does not occur consistent with the corrective action measures, Commission may terminate this Agreement, pursuant to Sections 29 or 30, or pursue other remedies or impose other penalties as specified in the Agreement.

A performance review will be conducted no later than ninety (90) days prior to the end of the first and second years of this Agreement, as determined by the Authority, to evaluate the performance of the Consultant. Based on the assessment of the performance review, as determined by the Commission in its sole discretion, written notification will be given to the Consultant whether this Agreement will be terminated at the end of the current year or will be continued into the next contract year.

Section 32.0 **Consultant's Warranty of Adherence to Commission's Child Support Compliance Program:** Consultant acknowledges that the Commission has established a goal of ensuring that all individuals who benefit financially from County or Commission through contracts are in compliance with their court-ordered child, family and spousal obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by Commission's Child Support Compliance Program and without limiting Consultant's duty under this Agreement to comply with all applicable provisions of law, Consultant warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or District Attorney Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Section 33.0 **Termination for Breach of Warranty to Maintain Compliance with Commission's Child Support Compliance Program:** Failure of Consultant to maintain compliance with the requirements set forth in Section 32.0 "Consultant's Warranty of Adherence to Commission's Child

Support Compliance Program” shall constitute a default by Consultant under this Agreement. Without limiting the rights and remedies available to Commission under any other provision of this Agreement, failure to cure such default within ninety (90) days of notice by the Los Angeles County District Attorney shall be grounds upon which the Commission’s Board of Commissioners may terminate this Agreement pursuant to Section 30, “Termination For Cause”.

Section 34.0 **Post L.A.'s Most Wanted Parents List:** Consultant acknowledges that Commission places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Consultant understands that it is Commission's policy to encourage all Commission consultants to voluntarily post County's "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at Consultant's place of business. District Attorney will supply Consultant with the poster to be used.

Section 35.0 **Subcontracting:** The Consultant may subcontract only those specific portions of work allowed in the original specifications covered by this Agreement with prior written approval by the Commission.

The Consultant shall not subcontract any part of work covered by this Agreement or permit subcontracted work to be further subcontracted without prior written approval by the Commission.

Section 36.0 **Employees of Consultant:**  
Workers' Compensation: Consultant understands and agrees that all persons furnishing services to the Commission pursuant to this Agreement are, for the purpose of workers' compensation liability, employees solely of Consultant. Consultant shall bear sole responsibility and liability for providing workers' compensation benefits to any person for injury arising from an accident connected with services provided to the Commission under this Agreement.

Professional Conduct: The Commission does not and will not condone any act, gestures, comments or conduct from the Consultant's employees, agents or subconsultants which may be construed as sexual harassment or any other type of activity or behavior that might be construed as harassment. The Commission will properly investigate all charges of harassment by residents, employees or agents of the Commission against any and all Consultant's employees, agents or subconsultants providing services for the Commission. The Consultant assumes all liability for the actions of the Consultant's employees, agents or subconsultants and is responsible for taking appropriate action after reports of harassment are received by the Consultant.

Section 37.0 **Access and Retention of Records:** Consultant shall provide access to the Commission, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Consultant which are directly pertinent to the specific Agreement for the purpose of making audits, examinations, excerpts and transcriptions. The Consultant is required to retain the aforementioned records for a period of five (5) years after the Commission pays final payment and other pending matters are closed under this Agreement.

Section 38.0 **Copyright:** No report, maps, or other documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of the Consultant. All documents become the property of the Commission and the Commission holds all the rights to said data. The Consultant assumes no responsibility for the use of documents in whole or in part in connection with work that is outside the scope of this Agreement. The Consultant reserves the right to use documents, designs and images for publication and promotion.

Section 39.0 **Use of Recycled-Content Paper Products:** Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Consultant agrees to use recycled-content paper to the maximum extent possible on the project.

The Commission or its authorized representatives, and HUD and the Comptroller General of the United States or their authorized representatives, shall have full and free access to such records, including the right to audit, and to make excerpts and transcripts from such records.

Section 41.0 **Notices:** The Authority shall provide the Consultant with notice of any injury or damage arising from or connected with services rendered pursuant to this Agreement to the extent that Authority has actual knowledge of such injury or damage. The Authority shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

Section 42.0 **Notice to Employees Regarding the Federal Earned Income Credit:** Consultant shall notify its employees, and shall require each subconsultant to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

Section 43.0 **GAIN Program:**

Should the contractor require additional or replacement personnel after the effective date of this Contract, the Consultant shall give consideration for such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program who meet the Consultant's minimum qualifications for the open position. For this purpose, consideration shall mean that the Consultant will interview qualified candidates. The County will refer GAIN participants by job category to the Consultant. In the event that both laid-off County employees and GAIN participants are available for hiring, County employees shall be given first priority.

Section 44.0 **Consultant Responsibility and Debarment:**

- A. A responsible consultant is a consultant who has demonstrated the attribute of trustworthiness, as well as fitness, capacity and experience to satisfactorily perform the work described in this Agreement. It is the policy of the County, the Commission and the Housing Authority to conduct business only with responsible consultants.
- B. The Consultant is hereby notified that if the Commission acquires information concerning

the performance of the Consultant on this Agreement or other contracts which indicate the Consultant is not responsible, the Commission may, in addition to other remedies, provided in this Agreement, debar the Consultant from bidding on Commission or Housing Authority contracts for a specified period of time not to exceed three (3) years, and terminate any or all existing contracts the Consultant may have with the Commission or the Housing Authority.

- C. The Commission may debar a consultant if the Board of Commissioners finds, in its discretion, that the Consultant has done any of the following: (1) violated any term of a contract with the Commission or the Housing Authority, (2) committed any act or omission which negatively reflects on the Consultant's quality, fitness or capacity to perform a contract with the Commission or the Housing Authority or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the Commission or the Housing Authority or any other public entity.
- D. If there is evidence that the Consultant may be subject to debarment, the Commission will notify the Consultant in writing of the evidence, which is the basis for the proposed debarment and will advise the Consultant of the scheduled date for a debarment hearing before the Consultant Hearing Board.
- E. The Consultant Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Consultant and/or the Consultant's representative shall be given an opportunity to submit evidence at the hearing. After the hearing, the Consultant Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Consultant should be debarred, and, if so, the appropriate length of time of the debarment. If the Consultant fails to avail itself of the opportunity to submit evidence to the Consultant Hearing Board, the Consultant may be deemed to have waived all rights of appeal.
- F. A record of the hearing, the proposed decision and any other recommendation of the Consultant Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- G. These terms shall also apply to subcontractors/subconsultants Commission or Housing Authority consultants.

Section 45.0 **Compliance With Jury Service Program:**

- A. Unless Contractor has demonstrated to the Authority's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program or that Contractor qualifies for an exception to the Jury Service Program, Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Authority or a subcontract with an Authority contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more Authority contracts or subcontracts. long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

- B. Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify the Authority if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Authority may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the Authority's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
- C. Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, the Authority may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future the Authority contracts for a period of time consistent with the seriousness of the breach.

Section 46.0 **Notice to Employees regarding the Safely Surrendered Baby Law:**

Section 47.0 **Consultant's Acknowledgement of Authority's Commitment to the Safely Surrendered Baby Law:**

The Consultant acknowledges that the Authority places a high priority on the implementation of the Safely Surrendered Baby Law. The Consultant understands that it is the Authority's policy to encourage all Authority consultants to voluntarily post the Authority's "Safely Surrendered Baby Law" poster in a prominent position at the consultant's place of business. The Consultant will also encourage its Subconsultants, if any, to post this poster in a prominent position in the Subconsultant's place of business.
